PROJECT QUOTATION

We at Vetted Solutions are pleased to quote the following systems for the above referenced project:

Scope of Work:

This quote includes provision of (4) 75mm Reaper cameras. This quote is given assuming constant hot 120VAC power will be located at each pole location. Customer will be responsible for providing enclosure boxes, power to enclosure box (12vdc or 120VAC). This quote includes 2x 2 camera mobile units and CDMS software for parking application for UCF. All reads from parking application will communicate back with hosted LEARN Server and be readily accessible to UCF law enforcement. Parking vehicles will load authorized white list and will not get the FDLE hotlist.

All licensing fees, start up and commissioning, and all associated cost for setup of LEARN account / new customer setup are included. Complete system includes 1 year parts and labor warranty on all equipment.

Please see clarifications at bottom of page for proposal notes / clarifications.
